TUTORING

The Southside Arts Complex, Inc 501 (c) 3 non-profit organization will conduct after school activities at School sites in the south side community of Tallahassee, FL. Students will choose a S.T.E.M. training in basic skills for computer coding, drones, film, forensic science, graphic design, music technology, or sound engineering, gaining skills they can use to further their study in higher education, or background for future high salary careers. Additionally, students will choose one of the following arts activities in music (drumline/vocal ensemble), drama, dance, visual arts and crafts, or spoken word. Every Friday students will participate in a life skills interactive session or field trip on finance, health, real estate, investing, or law enforcement. Tutoring, snacks, student drop off, and extended child care services available.
